

Cybersecurity | ICT Management

YOUR TRUSTED **TECHNOLOGY** PARTNER

VALUE ADDED DISTRIBUTOR
ASIA | MIDDLE EAST | AFRICA | TURKEY & EUROPE

ABOUT US

Who we are?

Resellers see emt Distribution as the Distributor of choice for our esteemed vendor solutions and our technologies are supported throughout the Asia Pacific, Europe, Middle East, Turkey and Africa region. The company is owned by emt Holding – a European holding company – a channel-first value added distributor with over 30 years of experience in IT product distribution with offices in Malta, Australia, Hong Kong, Singapore, UAE, Netherlands and Philippines. emt Distribution is well positioned to provide pre & post sales support with our team of experienced product specialists.

emt Distribution META focuses on the markets of Middle East, Levant, Africa and India with partner footprints in all countries. The product line is widened to give our resellers a chance to address the customers ranging from SME to large enterprises. The technology distribution focus of emt in META region touches the areas of cyber security, network management, ICT management and education.

With extensive technology integration with Tier-1 solutions, we have emerged as one of the finest players with niche solutions in the META markets. Through initiatives like emtCare, we have positioned ourselves as the pioneer of offering value which is more than just selling technology.

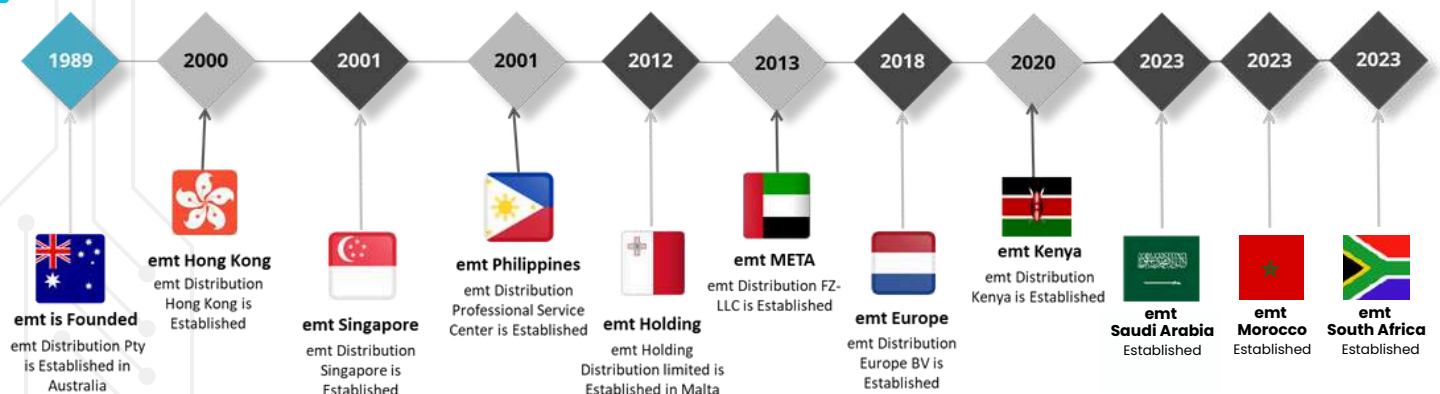

OUR MISSION

To provide value added services for channel partners by engagement, enablement and support activities to embrace them for new technologies and empower them at to the path of self-sufficiency.

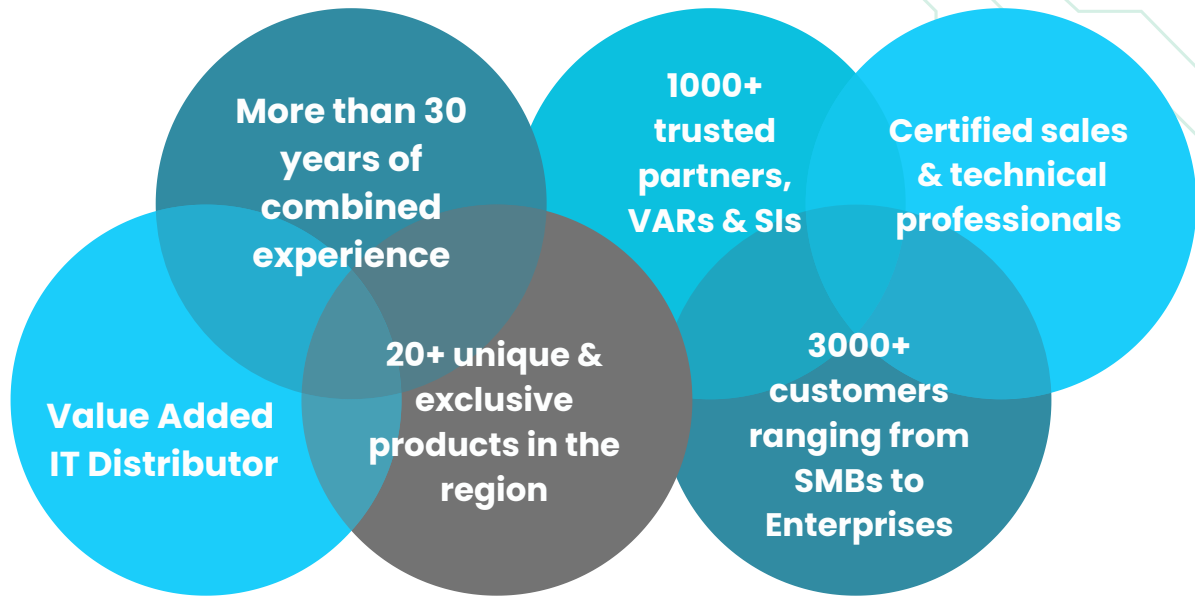

OUR VISION

To be recognized as the leading IT Value Added Distributor across the world.

Our journey so far...

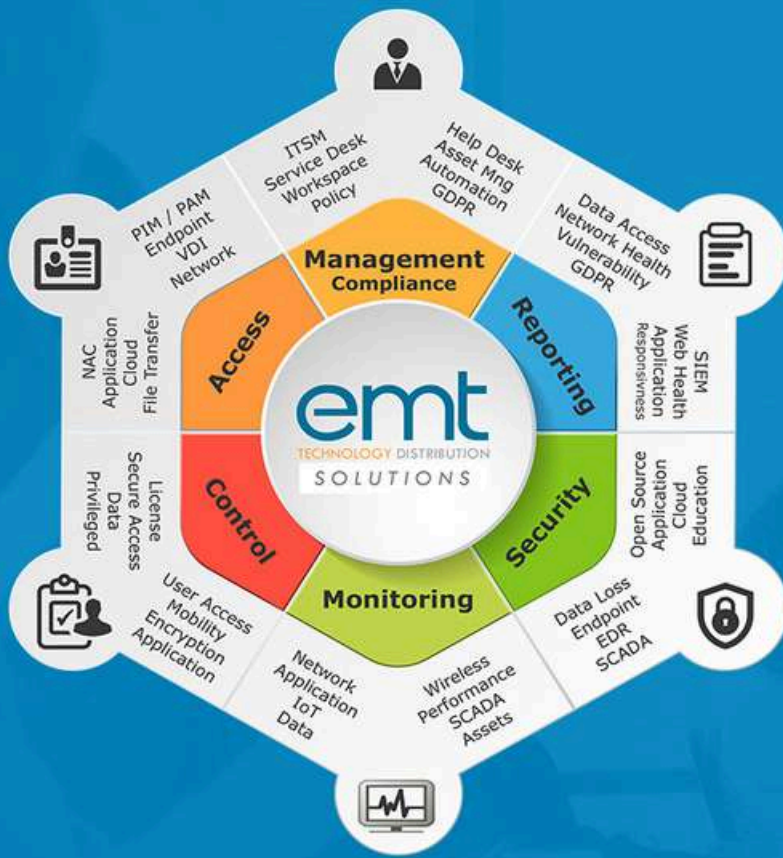

Why call emt Experts?

Product Portfolio

OUR SOLUTIONS

emt Distribution believes in providing the best products & services for its customers. Whether this means developing strategy for the best products in the region or training partners in the META region. We ensure the best experience for our customers when they choose us.

WINNER OF MULTIPLE AWARDS

emt Academy has been in operation since 2013 in the Middle East. With certification from Pearson Vue Middle East and a host of online and offline courses, the academy offers students an excellent platform to train, get qualified and certified.
